ABOUT ME

Hi! I'm Elliot, a frontend developer.

Figuring out solutions to problems, and learning new things is something that really motivates me. I enjoy being part of a project as it goes from idea to a finished product.

When I'm not coding, I enjoy playing video games with my friends, or going on walks with my dog, Balder.

As a developer my skills so far include [HTML](#), [CSS](#) and [Javascript](#). I'm also used to working with [Figma](#), [WordPress/Elementor](#), [Adobe creative system](#) and [Microsoft 365](#).

EXPERIENCE

Intern as IT-consultant, Web Designer

TekniskMultimedia

2023 - 2024

I worked with preparing old office computers for resale, consulting users with their microsoft 365 accounts and servers, and setting up new ones.

I also maintained, and did some setup and designing for new websites using wordpress where the database was hosted on Hestia. Other things I did was linking domains to websites, helping customers with IT problems and creating instruction pdf's.

Primary Support Contact

Family member

2021 - Current

As one of my grandmother's primary support contacts, a lot of my time is spent with her. I clean her apartment weekly, take her out to get groceries or to the doctor. Previously, I also took her to physical training twice a week.

Swimming instructor

Stavanger Svømmeklubb

2013 - 2014

2018 - 2019

Working with young children to get them accustomed to being in water, teaching them to float and swim.
